

UNITED STATES ARMY CONTRACTING AGENCY HEADQUARTERS NORTHERN REGION

Background

Effective 1 October 2002, the Army Contracting Agency (ACA) was established to support both mission contracting for the US Army Training and Doctrine Command (TRADOC), US Army Forces Command (FORSCOM), Military District of Washington, DC (MDW), US Military Academy (USMA), 7th Army, 3d Army, 8th Army, US Army South (USARSO), US Army Reserve Command (USARC) & US Army Pacific (USARPAC); as well as, installation contracting for designated US Army Materiel Command (AMC) and US Army Medical Command (MEDCOM) installations, the Army Information Officer, Network Enterprise Technology Command, and assigned program executive offices. ACA will also support the IMA providing the Base Operations contracting support within the Directorate of Contracting for all training and warfighter Army installations both in CONUS and OCONUS. ACA is divided into 2 regions – Northern Region (NR) (Headquarters Fort Monroe VA) and Southern Region (SR) (Headquarters Fort McPherson GA). An E-Commerce and Commercial Contracting Center (ITEC4) to acquire information technology and commercial items is located in Northern VA.

ACA MISSION

The mission of the Army Contracting Agency Northern Region is to provide command and control of the Contracting Centers and installation contracting activities in the region.

SMALL BUSINESS MISSION

Provide maximum acquisition opportunities to small business, veteran-owned small business, service-disabled small business, HUBZone small business, small disadvantaged business, women-owned small business, and Historically Black Colleges and Universities/Minority. The Associate Directors, SADBUs, and the full time and part-time Small Business Specialists will ensure effective implementation of the Army Small Business Program through the ACA mission.

ACA NORTHERN REGION

ACA Northern Region consists of 3 Centers: Army Reserve Contracting Center (ARCC at Fort Dix NJ), Capital District Contracting Center (CDCC at Fort Belvoir VA) and Northern Region Contracting Center (NRCC at Fort Eustis VA).

ARCC acquires a variety of goods and services in support of base operations. ARCC installations include Forts Dix, McCoy, Devens, and ten Reserve Centers.

CDCC acquires a variety of goods, services and minor construction ranging from high visibility White House and ceremonial support to routine everyday base operations. CDCC Installations include Forts Myer/McNair, Meade, Belvoir, AP Hill, Hamilton and the National Defense University.

NRCC is responsible for mission requirements for all TRADOC installations and NR requirements over \$500K. Installations include Forts Eustis, Leavenworth, Lee and Carlisle Barracks.

Direct reporting contracting offices are located at the following installations: Forts Drum, Riley, Carson, Lewis, Wood; and Aberdeen Proving Ground, Dugway Proving Ground, Yuma Proving Ground; and White Sands Missile Range.

These contracting activities, and the Centers, acquire Base Operations Support services and miscellaneous supplies; construction; electronics/communications, communication services, & IT hardware/software and services; subsistence; and medical/dental supplies. Ship repair is only acquired by the NRCC.

The Northern Region Headquarters is located at Fort Monroe VA.
